Description

ANTIQUE VICTORIAN GREEN GLASS DUMP FLOWER POT PAPERWEIGHT LATE 19TH CENTURY A delightful late 19th-century Victorian green glass dump paperweight featuring an internal floral display in the form of a stylized flower pot. The heavy, domed glass encases intricate flower-like formations and charming bubbles, showcasing the handcrafted nature of early glassmaking. Characteristic of the "dump glass" tradition, where leftover molten glass was skilfully repurposed, this tactile and decorative piece adds vintage charm to any paperweight or glassware collection.
