Description

A lovely pair of antique prints by Maude Goodman (1853–1938) in their original gilt frames. Both artworks contain the signature of the artist and one is dated 1903 and the other '97, both were likely produced in the early 20th Century. They are very decorative and good quality with vibrant colours and the round gilt frames compliment the pictures nicely. They are in good condition for their age. The frames have got a few small knocks and minor losses but nothing detrimental and the gilding is bright and vibrant. They have been lightly cleaned and are ready to hang. Approximate Measurements : Diameter : 14" / 36cm The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £10
