Description

A small and delightfully rustic Victorian pine washstand featuring elegant, slender turned legs, a shaped backsplash shelf, a single drawer with small wooden knobs, and a lower shelf for added practicality. The piece has a warm, timeworn appeal and is structurally sound, though it would benefit from a touch of restoration. Available in its current, as-found condition for £150. Alternatively, I'd be happy to give it a thorough (caustic) clean to strip the old wax finish, carry out any necessary restoration, and apply a fresh wax polish. This fully restored option would be priced at £237. Dimensions: Max height (to top shelf): 38.5" Surface height: 28" Width: 28.5" Depth: 15"
