Description

A good example of a large solid silver tray. It is a simple and elegant design with a raised edge and cut out handles. It is stylish and good quality and has never been engraved. It is clearly hallmarked for Stewart Dawson & Co Ltd, London, 1909 and it weighs approximately 3287g. It is in good condition for its age. There are no major damages and it displays beautifully. There are some faint surface marks and very light surface scratches and minor signs of age and use but nothing detrimental. It has been gently cleaned and polished and displays beautifully. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £25
