Description

A very attractive, tall and slender pine cupboard—ideal for use as a children's wardrobe or a versatile storage piece. This attractive unit features a single door (hinged on the left, opening to the right), with a small internal drawer at the base and a larger external drawer beneath the door. It is elegantly detailed with a small cornice top, vertical tapered edges flanking the door, and bracket feet. Inside, the original wooden hanging pegs remain intact along the top. These can be used as-is for hanging coats or small garments, or we can fit a hanging rail if you'd prefer to use it as a children's wardrobe. Alternatively, we can install shelves, transforming it into a practical storage cupboard or linen press. The piece has been stripped of its original paint and finished with wax, giving it a warm, natural patina. It's in good overall condition and is available as-is for £540, or professionally re-waxed for £627. Important: This cupboard does not dismantle for delivery, so please ensure access—particularly for staircases—is carefully checked in advance. Dimensions: Height: 70" Width: 38.5" Depth: 19" Internal Depth: 16.5" (Please note: not deep enough for adults).
