Description

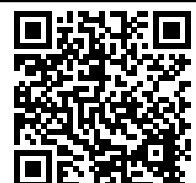

Antique WINTERHALDER & HOFMEIER Oak Musical 3 Train Westminster Bracket Mantel Clock DESCRIPTION: This truly is a lovely Victorian Oak Bracket / mantel clock by the renowned makers Winterhalder & Hofmeier, GERMANY. The case incorporates some super detailing. A lovely feature is that the movement is lovely being quarter striking with a Westminster chime. The top has a lovely arched top which is carved to the front and flanked by brass finials. The door with lovely thick bevelled glass framed in brass and then surrounded with pretty carved detailing. This opens to access the dial. The dial chapter ring is silvered and beautifully etched with Roman Numerals with small Arabic numerals above, between the numerals is further beautifully etched. To the top left is the 'SLOW / FAST' regulation dial and to the top right is the 'CHIME/SILENT' selector which allows the chimes to be switched off if required. It is finished with a super pair of shaped fingers. Below the dial is a further carved detailing. To the sides there is a lovely fretted panel doors lined in green fabric, the door is opened by a latch which is fully working and allows the movement to be viewed / accessed. Th...
