Description

A Interesting Elegant Black Forest Regulator Wall Clock In The Vienna Style. The original movement has only a original going train (so not chiming) The original movement still in the original lacquered clock case simulating rosewood. The movement with deadbeat escapement and maintaining power. Still with the original enamel dial, hands, pendulum and weight. The original brass weight and pendulum have been lacquered, so polishing is not needed. In very good original used condition, with very nice old patination. It is interesting to find this type of regulator still with its single train movement. The movement has been fully cleaned and serviced and is in fully working order. Germany circa 1850-80 100cm high, 30cm wide, 15cm deep. Price: £650,—
