

SA1153547

Beautiful Queen Anne Oak Lowboy c. 1700

Price

Sold**Item Reference: SA1153547****Date of manufacture: 1700**

Description

A very good and early English oak lowboy, all original, and with a fantastic colour and patina. . Peg jointed and solid throughout, the twin boarded oversailing top having a rich deep patina (the boards with a natural slender shrinkage gap between them). . Lovely carved bead detailing to the drawer front. . Retaining original escutcheon and drop handles, the steel lock has been moved to the left of the drawer front at some point. . Very sturdy, heavy and usable, the drawer opens and closes smoothly and has its original solid oak lining. . A really eye catching Queen Anne lowboy made by hand in c.1700, of beautiful proportions and most attractive form. . Dimensions are: . 29 inches high, 22.25 inches deep, and 35.5 inches wide. Internal (usable) drawer depth is 4.5 inches. . For metric please multiply by 2.5
