Description

An Unusual Set of 12 Edwardian Silver-Plated Lobster Picks. Each pick features a delicately pierced handle with a flowing, nature-inspired design - depicting a stylised Lobster motif. Each double-ended pick is ideal for extracting delicate lobster or shellfish meat with ease and precision. A rare find in such pristine uniformity - perfect for collectors or elegant entertaining – circa 1905. * Designed to be as beautiful as they are practical, these are miniature works of table art. Measurements: Length: 8" (approx. 20cm) Total weight of set: 307g In good condition – Light signs of use consistent with age. All decorative details remain well defined.
