Description

A beautiful Emerald and Diamond Art Deco cluster ring set in Platinum. The piece is centrally set with a vibrant green oval cut emerald and is surrounded by a cluster of 16 sparkling diamonds all encased in a platinum setting. It is a truly elegant piece with the oval shaped emerald and diamonds elongating the wearers finger which is extremely flattering. The head of the ring is slightly raised which makes it easy to wear with other rings. The total emerald weight is 2.1 carats. The 16 sparkling diamonds each weigh approx 0.05 carats (total 0.8 carats approx). The total head size is 11mm x 13mm and total weight of ring is 5.1 grams. The ring is currently a UK finger size M but this can be resized for a perfect fit. The ring is hallmarked Platinum.
