Description

A very classy table with elements of Regency design and carved details in the manner of Charles Bevan. This example is not stamped, I know of another identical model which is. Structurally sound with a swivel mechanism in good order. Original untouched condition, baize worn and some minor isolated marks to the frame commensurate with age. The top is very slightly bowed in the middle, see images. Reliable transport throughout the UK can be easily arranged at cost price, please let me know if you would like a quote, or have any other questions.
