Description

A large desktop inkstand dating from the early 20th Century. It is made of oak with dished pen trays at the front and back and three large inset glass inkwells. It is in very good condition and although it has been used it has been well looked after over the years. There are some minor signs of age and use, a few small knocks and marks but nothing detrimental. The inkwells are in good condition with a couple of small chips on the corners but no major damages. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £8
