Date of manufacture: 1900

Description

A rare and impressive English giant "A1" double lever corkscrew by James Heeley & Sons, Birmingham, circa 1900. Height: 16.2 cm. Width (open): 26.7 cm. Weight: 257 g. Original untouched patina, robust construction, no repairs or damage. The mechanism works perfectly, and the oversized form makes this piece highly desirable for collectors and as a decorative bar accessory. Please study the accompanying photographs carefully as they form an integral part of this description. If you have any questions, we will be happy to answer them. The item will be shipped with full tracking and insurance.
