Description

Bronze Sculpture of Lur Playing Viking Horn Blower by Edward Aagaard, 1950s. This beautiful bronze sculpture depicts a Viking Horn blower and is cast in exquisite detail. It is made by a Danish bronze Sculptor and is signed to the back "Edward Aagaard Denmark". The piece then has a lovely inscription to the front of the base reading "Resounding lures for battle rallied each hero son strong as bears brace as eagles giants surang up". It measures approximately: - 7.25" / 18.5cm Tall. - 3.5" / 9cm Wide. - 3" / 7.5cm Deep.
