Description

A beautiful oak desk chair dating from the early 20th Century. It is a good comfortable chair and very well made with a shaped back and curving arms. The seat is upholstered in a brown leather with a studded edge. It has four legs terminating in castors and the chair swivels all the way around on the base. It is in very good condition for its age. It has developed a lovely patina and is structurally very sound. It is not without a few small marks here and there but nothing untoward for a chair of this age. The seat is in good condition with no splits or tears and it swivels smoothly. It is approximately 33 1/2" (85cm) high and the arms are 22" (56cm) wide. It is approximately 18" (46cm) deep and the seat is 18" (46cm) high. The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
