Description

A striking, antique pine cupboard featuring a single left-to-right opening door and a beautifully carved crown top. The door is designed to mimic a traditional Secretaire, complete with the appearance of multiple drawers and a drop-down writing surface, as shown in the images. The interior currently includes three shelves, but we can adjust the shelf spacing or add more shelves to suit your needs. The piece is in bare wood and available for £560 as-is, or £627 waxed. With an internal depth of 17.5", this cupboard could also serve as a wardrobe for hanging shirts and similar garments. For this purpose, we can remove the shelves and install a hanging rail. If you need to hang longer items, we can position the rail front-to-back to make better use of the space. Dimensions: Height: 68.5" Width: 43.5" Depth: 22" Internal Depth: 17.5"
