Price

Sold**Item Reference: SA1154755****Date of manufacture: 1920**

Dimensions

Height = 12 cm (4.7")

Width = 44.5 cm (17.5")

Depth = 7.5 cm (3.0")

Description

Fine clean little used Norris of London 17 1/2" long A71 adjustable beech jack plane. The beech body is really good on this example with hardly any wear to the base thus the mouth is still pretty tight. Open beech handle with do damage or cracks. Gunmetal lever cap and 1922 patent adjuster. Original Norris backing iron with what is probably a replacement William Marples of Sheffield thick parallel iron. Pretty nice example. SIZE; 17 1/2" long by 3" wide CIRCA; 1920's
