Description

A very good, clean, first edition copy of Tanavoli's excellent work on the salt-bags and bread sofrehs of the Persian nomadic tribes, published in 1991. There is some scuffing to the edges of the dust-jacket and a couple of slight tears which I have selotaped on the back of the cover. Otherwise a rare and good condition copy of a 'must have' book. £85 GBP plus shipping.
