Description

This superb, rare Italian hand carved olive wood religious figure group of Jesus with Mary and Joseph. Joseph is standing with a lantern in one hand and his other arm is around Mary's shoulder, who is sitting with young Jesus on her lap. The figure group is hand carved from a single piece of dense olive wood, which has a beautiful, rich golden colour with dark graining. The carving has developed a very good patina through age and handling. It is in very good original condition with no damage. Italian, circa 1880 Height 25.5cm x width 14cm x depth 10cm
