The Edwardian Walnut Chest of Drawer bring timeless elegance to your home with this beautifully crafted Edwardian walnut chest of drawers. Dating from the early 20th century, this classic piece features a rich walnut veneer with stunning grain patterns, complemented by its original brass ring handles and subtle beaded edges. The chest offers practical storage with a traditional layout: two smaller drawers over three generously sized full-width drawers, each fitted with a keyhole escutcheon for a refined touch. Whether placed in a bedroom, hallway, or study, this antique chest blends functional storage with period charm, making it a sophisticated addition to both traditional and contemporary interiors. A fine example of Edwardian craftsmanship—elegant, understated, and built to last. The chest offers practical storage with a traditional layout:...
