Item Reference: SA1154979

Date of manufacture: 1700

Dimensions

Height = 53 cm (20.9")

Width = 64 cm (25.2")

Description

Late 17th or early 18th century Chinese silk textile featuring a lotus on a very unusual, and auspicious, green ground. Kesi are noted for their fine weave and playful colours but I have not seen another with a green ground. Nice early example professionally mounted and ready to display.
