Description

A nicely detailed Persian solid silver vase. It is unmarked but tests as 840 grade solid silver. I would date it to c1920. They have been superbly designed being decorated with birds. It is in super condition being free from dings splits holes and repairs. It measures approx. 4.25 inches (10.4cms) tall by 2.5 inches wide and weighs 126 grams. A very nicely designed piece.
