Description

A beautifully Russian solid silver gilt dish or saucer. It is hallmarked with Russian silver marks and the date mark 189? although I think it may actually be a 20th century copy? It has superbly designed being enamelled with flowers and gilded and is in superb condition being free from splits, and repairs. The enamel is perfect. It measures approx. 4.75 inches (12cm) across and weighs 115 grams. A very good quality well made piece.
