Description

Beautifully Decorated George III Chest Of Drawers Of Small Proportions With original swan neck handles, the chest has been hand decorated in our workshops using traditional oil based paints & lacquers mixed in house. The design is a pattern adapted from an original 18th Century chest of drawers. Our decorator has over three decades of experience, specialising in paint finishes, gilding and lacquer work. The locks have been serviced & are working. All our chests of drawers are restored so that the drawers run beautifully smoothly and all pieces are clean and ready for your home.
