Description

A good example of an oak wall hanging spoon rack dating from the early 20th Century. It has two racks with slots cut for the spoons and a small hinged lift-top candle or salt box at the bottom. It has a nicely shaped top and a small hole for hanging. It has a lovely patina and it is in good condition for its age. There are signs of age and use, some small knocks and marks but no major damages and it displays well. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £15
