

SA1155312

A gold and diamond three stone ring, Victorian 1870

Price

Sold

Item Reference: SA1155312

Date of manufacture: 1870

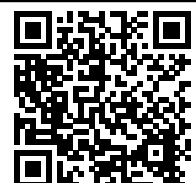

Description

This simple but very stylish mid Victorian heavy 18ct gold ring marked 18c is of a simple pleasing form made from a plain graduated band of gold and set with three good sized bright old cut diamonds. The central one is the largest with two similar matching stones, one to each side. This fine Victorian ring is in excellent condition and shows very little signs of wear or use. It has nice sharp edges holds a perfect shape and has an impressive weight of 5 grams. English, 1870 Ring size Q
