Description

A good quality Sterling Silver framed mirror. The silver frame is decorated in a beautiful swirling repousse design with birds in the corners and a cartouche in the top centre. The back is covered in leather with a wooden board and a ring for hanging. It is hallmarked for W J Myatt & Co, Birmingham, 1908. It is in very good condition for its age. There is some wear and some small losses around the edges of the frame but no major damages and it displays well. The silver has been gently cleaned and polished and the mirror is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £8
