Description

RARE late 19th century DESIRE LEROY for Royal Crown Derby, England twin handled urn with original lid. This stunningly beautiful piece is in very good condition except for slight damage to the inner lip of the lid as pictured, this could be easily professionally repaired but I have left it for now for selling. All the gilding is in tact with hardly any rubbing at all. It is signed LEROY in the bottom right hand corner of painting. Both parts are fully marked with the Royal Crown Derby marks for the late 19th century. Apart from the minor damage to the lid this is in stunning condition and has been priced accordingly. Similar pieces make several thousand pounds at auction. This piece was bought privately in a house in Perth. SIZE; 6 1/2" wide by 4 1/2" deep by 6 1/2" high CIRCA; Late 1890's

Internal Ref: 11404
