Description

~ French - Circa 1900 ~ ~~ Excellent condition, fully overhauled ~~ A Beautiful Louis XVI-Style Cartel Wall Clock by Samuel Marti This elegant French cartel wall clock, in the refined style of Louis XVI, is a fine work by the esteemed maker Samuel Marti. The clock features a round bronze case housing the movement, suspended gracefully from an ornate ormolu ribbon swag surmounted by a finely detailed bow crest. The bronze body is adorned with a laurel wreath motif, symbolising honour and achievement, and is completed by a laurel crest at the base of the ribbon. The porcelain enamel dial on copper is set behind a convex glass, and features fretted and incised gilt brass hands. At the heart of the piece is a high-quality French movement by Samuel Marti, fully overhauled and in excellent clean and running condition. It comes complete with its original pendulum, runs for eight days, and strikes the hours and half-hours on a bell. A video is available to hear the bell and see the clock in operation, please ask and we will send you a link or paste this in to your browser:
