Description

Modernist Sterling Silver & Abalone Shell Ring – Arne Johansen Mid Century A bold and sculptural mid-century modernist ring by renowned Danish silversmith Arne Johansen (AJ Denmark). Crafted in sterling silver, the design features a striking round abalone shell panel set in a raised, minimalist bezel—showcasing the organic iridescence of the shell. This piece is a beautiful example of Scandinavian modern design from the mid-20th century and reflects Johansen's signature style of clean, artistic forms in wearable silver art.
