Description

A Regency Brass Mounted Mahogany and Ebony Inlaid Card Table C1815, Greek Key. A very fine quality early 18th century, Regency card table of handsome design and detail. The elegant rectangular, fold over mahogany card table with decorative ebony inlay, featuring striking Greek Key and other emblems, borders and themes, complemented with lions mask brass mounts to each canted corner, upon downswept supports with hairy paw feet concealing original brass castors. A superbly stylish example with a fold-over top revealing a green baize in mostly very good condition, no holes or tears but some evidence of timeworn age but minimal wear. We have consigned the table to our workshop to address the minimal loose veneer repairs or losses which are very minimal, see photos, otherwise in excellent, original condition without signs of repairs, loss or distress. A very good example, with characteristics familiar with the great workshops, we are unable to attribute the table to any workshop or maker.
