Description

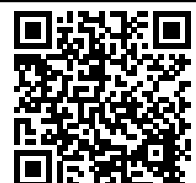

Circa 1840-1880 A pair of good quality early brass Tavern Candlesticks with the original bells. Usually hard to find, we have been lucky to have two pairs of good quality tavern candlesticks on our website. They were used in old Inns for lighting and to attract the attention of the Inn Keeper. These are of a good weight, they measure 33cm in height and the base is 16cm in diameter. They have been professionally polished and there are no signs of damage or repairs. Postage and packing is included in the price for the UK mainland and for outside areas or delivery abroad, please contact us for a quote.
