Description

A rare set of 4 Old Sheffield Plated candlesticks with drawn wire lyre-shaped stems. Bearing no makers marks but dating to c1770-1780. This is truly an elegant set of candlesticks. Wonderfully designed stems on oval bases and with removable sconces. The condition is good overall and the plating is in very good order. One candlestick has a later drilled extractor hole and a slight split to the seam. A couple of the candlesticks are ever so slightly misshapen but this does not detract from the overall elegance of the set. Total weight approx 3.4kg. Height approx 32cm Base measures approx 15.5cm x 11cm.
