Description

A charming and early antique Georgian period mahogany side table. This was made in England, it dates from around 1800-1810 period. It is a lovely size and is full of character. The mahogany has a gorgeous colour tone and a lovely patina, with various surface marks here and there beneath the polish. There is a single drawer with brass handles, and this is polished on the back, so it can be used as a free standing item. We have had this re-polished and revived, it is in good overall condition and structurally sound, while retaining the original patina.
