Description

A lovely antique pine cupboard dating from the late 19th / early 20th Century. It has two glazed doors which open to a shelved interior which has been painted in a pale cream colour. The position of the shelves is adjustable and they sit on metal pegs. The cupboard has internal bolt fastenings and it comes with a working key. It is in good condition with a nice warm colour and lovely patina. There are some minor signs of age and use, some small knocks and marks but nothing detrimental. The interior is generally clean and tidy. There are some minor signs of historic worm which has all been treated as a precaution and hasn't affected it structurally or aesthetically. It has been cleaned and lightly polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
