Description

A small stripped pine chest of drawers dating from the late 19th / early 20th Century. The pine has a nice warm colour and a lovely patina. Each drawer has turned wooden knobs and it stands on turned bun feet. It is in good condition for its age. Each drawer is generally clean and tidy and opens and closes smoothly. There are some signs of age and use with light surface marks and minor knocks but nothing detrimental. The knobs are not original but suit the piece well. It has been cleaned and given a gentle wax polish and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
