Description

A small antique pine chest of drawers dating from the early 20th Century. The pine has a nice warm colour and a lovely patina. Each drawer has turned wooden knobs and it stands on turned bun feet. It is in good condition for its age. Each drawer is generally clean and tidy and opens and closes smoothly. There are some signs of age and use with some light surface marks, minor knocks and some small scratches but nothing detrimental and it displays well. It has been cleaned and given a gentle wax polish and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
