Description

Antique Georgian Revival c.1900 Mahogany Pair of Bedside Tables – Fine Quality Nightstands or Small Chests of Drawers. A rare and elegant pair of Georgian Revival mahogany bedside tables, dating from around 1900. These beautifully crafted nightstands feature finely balanced proportions, rich warm timber tones, and a naturally developed deep patina. The attractive bracket feet add to their classic charm. Craftsmanship & Design: Expertly constructed, these tables are strong, with no loose joints or woodworm. Each mahogany-lined drawer slides freely, ensuring practical storage. Their graceful design and timeless styling make them ideal for use as bedside tables, lamp stands, small chests of drawers, or occasional side tables in both traditional and contemporary interiors. Dimensions: Width: 56cm Depth: 33cm Height: 74cm Condition Report: Offered in good antique condition, these chests display minor historic knocks, wear, imperfections, cracks, scratches, losses, repairs, and alterations, all consistent with genuine period furniture over 100 years old.
