Depth = 5.8 cm (2.3")

Description

c. 1820 Superb Biedermeier Birds Eye Maple Picture Frame Landscape Or Portrait Brief Description: This is an exceptional quality, original early 19th-century German Biedermeier Birds Eye Maple Veneered cushion-moulded Picture frame. Dating to circa 1820-1825, and of extraordinary good quality. The large, heavy piece currently houses a wonderful needlepoint tapestry, but, in our humble opinion, the frame would be more suitable for a high-quality work of art. The frame will house a painting in either the portrait or landscape position. Further present is the original 1820s protective glass panel. Attributes: German Early 19th-century Biedermeier period Circa: 1820s Condition: Other than a minute piece of veneer missing from the bottom left-hand corner, the frame is offered in an overall exceptional original condition. Framed Measurements: INCHES & CENTIMETRES Height: 32" | 81.2 cm Width: 28.2" | 71.6 cm Depth: 2.3" | 5.8 cm Note: The frame rebate is 6cm high x 53cm wide. ^^ Fast & Free UK Delivery Included^^ *A Certificate Of Authenticity (COA) will be provided by artsonline with this piece* Delivery Artsonline UK ships worldwide daily, using only...
