Description

A lovely pair of solid Sterling Silver trumpet vases. They are stylish and good quality with a flared rim and slender tapering body with a circular foot and weighted base. Unusually, both vases are slightly angled, perhaps to be placed either side of a centrepiece. They are both clearly hallmarked for Walker & Hall, Sheffield, 1908. They are in good condition for their age. There are signs of age and use, some minor dents and dinks around the bases and light surface marks and there is a small minor fault in one (see photo) but overall they display well. They have been gently cleaned and polished and are ready for use. Approximate Measurements : Height : 7 3/4" / 19.5cm Top Diameter : 3 1/4" / 8cm Base Diameter : 2" / 5cm The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
