## Description

Rare Spode Flower-Encrusted Pot Pourri Bowl & Cover, c. 1830, in the Dresden taste, featuring a round, footed bowl with a pierced, domed cover, adorned with an abundance of fine Mayflowers and trailing leaves. Marked SPODE. The lid has been broken and repaired, and there are some minor losses around the edge of the bowl; however, this is a scarce piece that warrants some care and attention. A great example in yellow and greens with a pink floral finial.
