Description

An impressive antique 1920's 2.30 carat garnet and 0.30 carat diamond, platinum dress ring; part of our diverse antique jewellery collections. This fine and impressive antique ring has been crafted in platinum. The circular domed setting displays a feature collet set 2.30ct round mixed cut garnet. Thirty pavé set eight-cut diamonds, totalling 0.30cts, encircle the feature garnet displayed in sets of three, segmented by curved black enamel panels. The elevated, pierced decorated and flared ring shoulders are embellished with an engraved decoration, integrating with the main setting and blending seamlessly with the plain ring shank. This antique 1920's garnet ring has been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as platinum. The ring is supplied with an independent diamond grading report card. Images do not always reflect the true colour and brilliance of gemstones and diamonds. The video however provides a truer representation of the actual colour and showcases each stone. Condition This impressive gemstone cocktail ring is fine quality set with an impressive garnet, black enamel and very high colour graded diamonds ...
