Date of manufacture: 18th Century

Dimensions

Height = 117 cm (46.1")

Width = 101 cm (39.8")

Depth = 51 cm (20.1")

Description

This is a really fabulous 18th century provincial oak chest of drawers. It is solid quarter cut oak throughout with a wonderful and original patina. It has the unusual configuration of two short over four long drawers. With thistle embossed brass handles. One handle has been replaced at the bottom at some point and there is some wear to several, as can be seen in the photographs, but they all work perfectly.

Internal Ref: 684
