

GBP 950

Date of manufacture: 19th Century

Depth = 20 cm (7.9")

Large collection of 36 1900c American china shaving mugs ,all in a Mahogany display stand , most with the owner names on the mug. Early American shaving mugs would have your name so that every time you went for a shave The Barber would use your Shaving mug for the shave !! You are welcome to come and look at the mugs, all in good condition some chips
