Dimensions

Height = 20 cm (7.9")

Width = 28 cm (11.0")

Description

This is a charming 19th century watercolour on silk panel depicting a hunting scene well executed in pretty pastel shades. The painting shows huntsmen with long rifles and bows and arrows dressed in traditional Mandarin costume. The picture is in excellent condition and has great charm. This measures 28 cms x 20 cms overall including the gilt and ebonised period frame. UK insured packing and delivery is £15
