Description

A solid 19th century oak chest of drawers, featuring two short over three long drawers, each with traditional wooden knobs. The sides are panelled, and the front is finished with a shaped apron along the lower edge. The chest stands on sturdy bracket feet and displays a warm, aged oak patina. Item Ref; M-6227 . DIMENSIONS: Height - 103cm / Width - 118cm / Depth - 51cm . CONDITION REPORT: In good antique condition, with signs of age and use throughout. There is surface wear including age-related marks and scratches, along with splitting to the edges and sides. The top shows additional wear, including staining, scratches, and splitting. There is also some minor damage to the veneer at the front. These signs of age do not affect the structural integrity of the piece. Our experienced carpenter thoroughly inspects, repairs, and restores each item in our collection to ensure it is fully prepared for use in your home. For a clear and accurate understanding of each item's condition, we ask that you carefully review all provided photos.
