Price

Sold**Item Reference: SA1156972****Date of manufacture: 1850**

Dimensions

Height = 136 cm (53.5")

Width = 43 cm (16.9")

Description

Just a marvellous piece of border from a magnificent Nurata suzani. Can be displayed horizontally or vertically, as you like. If you look at the details you can see what a finely stitched embroidery this is with tremendously beautiful colour. Clever use of two different reds side by side creates a real depth and those random green stems are full of life and movement. Something very special indeed. Frame: 1'5" x 4'6"
