Description

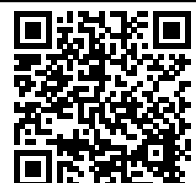

This is a very fine and beautiful example of a ladies wristwatch made by the world renowned premier Swiss maker Omega. This is the very desirable solid 9ct gold Omega 620 with herringbone bracelet. It has a heavy solid 9ct yellow gold case fitted to a beautiful design solid 9ct gold diamond bright cut herringbone bracelet which just glides around the wrist, it will fit a wrist size upto 16cm or 6 1/4 inches. The watch is in superb original condition and looks like it was rarely worn. It is quite stunning, all we have done is ultrasonically clean the case and bracelet and service the movement so it is absolutely pristine inside and out. The 17 jewel calibre 620 movement is an absolute gem, sparkling clean and in like new condition, this is a movement from the golden age of Swiss watchmaking. As you would expect the watch is fully marked on the dial, movement and the bracelet. The case and bracelet have 9ct gold hallmarks for 1963. Omega are one of the most exclusive makers in the world and this watch certainly has that understated elegance which resonates class. The watch case measures 20mm in diameter not including the winding crown. Like all of our watches it ...
