Description

A beautiful pair of English Victorian antique solid sterling silver serving spoons. They are hallmarked for Sheffield 1895 with the makers marks being that of James Deakin & Sons (John & William F Deakin). They have been beautifully made having figures to their terminals, possibly a bride and groom or maybe dancers? They are in superb condition being free from dings, splits and repairs, faint marks in one bowl due to the hallmarks being stamped. They measure approx. 7 inches (17.5cm) long by 2 inches (5cm) wide and combined weigh 76 grams. A very good quality unusual Victorian set.
