Height = 61 cm (24.0")

Width = 63 cm (24.8")

Depth = 35 cm (13.8")

## Description

This charming and well-weathered carved wooden horse is a wonderful example of early 20th-century craftsmanship, likely created as a fairground figure or a children's ride-on toy. Hand-carved from solid wood, the figure retains remnants of its original paint in faded reds, whites, and greens, giving it a beautifully aged patina full of character. We have 2 available for £840 each.
